Yourself.*

May 20, 2020

Dear Indiana Daughters, Bethel Council, Grand Bethel Members, and GGC Members,

Thank you so much for your support and understanding as we have figured out how to navigate through this global pandemic. We know that times have been difficult and it's hard to see events canceled and to not be able to get together. Supreme Guardian Council Board of Trustees has issued guidance that no in-person activities be held until after August 31, 2020. Due to this recommendation we have made the decision to cancel the 2020 Grand Session.

A lot of thought and consideration was given towards how to proceed with Job's Daughters in Indiana. Indiana Grand Guardian Council Executive committee met via a Zoom call and unanimously voted that all Grand Guardian Council Officers and Committees as well as Grand Bethel Officers, Committees, and Indiana Job's Daughters Representatives would continue to serve in their respective positions until June 2021. There may be some changes as we have to follow CAV guidelines or if someone is unable to continue to serve. Vacancies will be filled accordingly as needed.

There will be no Schools of Instruction this summer/early fall due to the restrictions. Official Visits will occur on your regular meeting night and will be low key affairs for at least the fall term. We will be in touch with the Bethel Guardians to set-up a date to visit as we move forward. We will still plan to have fun events following the recommendations from SGC, Indiana's Grand Master, and Governor Holcomb. We appreciate your patience as we piece together plans.

We are also working on some additional plans for activities and events via social media or other outlets. If you have suggestions on something you would like us to do don't hesitate to send in your suggestions. We are always looking for new ideas.

If you have questions, comments, or concerns please don't hesitate to reach out to us. We know that this has been a trying experience but with the Patience and Faith of Job we can still receive the Reward at the end. Please be safe, remember to practice social distancing, and let us know if we can help in any way.

Job's Love,

Jamie Yeadon
